

# May Special Freestyle Level Classes!

This spring we have some special classes happening for our Freestyle Level Skaters. Each topic has been carefully chosen to help our skaters expand their skating knowledge and skills. We hope you will consider participating in both of our class offerings!

## Learn to skate 2-week special classes – May 2 – May 10, 2025

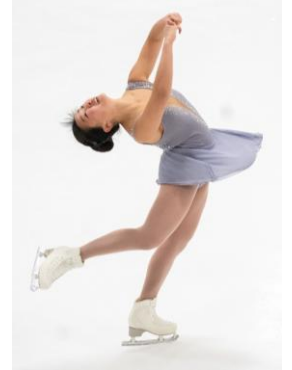

Registration is now open! Registrations are processed on a first come, first served basis. **All special 2 week classes are \$40.00 payable upon registration.** No refunds or credits. Make up passes for missed classes are not available.

## Level Up Your Spins!

Spins are a lot more challenging than skaters realize and are often the skill that holds skaters back from moving up through the freestyle levels. With that in mind, we are offering a special 2 week spins class so that we can spend focused time improving your spins!

This class is open to any skaters who have completed freestyle 1 and above. Our instructors will be happy to assist you with whichever spin you are currently struggling with, or give you a head start on next semester's spin challenge!

**Friday May 2<sup>nd</sup> and May 9<sup>th</sup> 5:15-5:45pm**  
**Saturday May 3<sup>rd</sup> and May 10<sup>th</sup> 5:15pm – 5:45pm**

## Jumps / Harness Clinic

This class for any freestyle level skaters looking to improve their jumps. Whether it is gaining more height, improving the speed of rotation, or getting over some fears! We will also have the jump harness available during the whole class so that skaters can work towards achieving those more challenging goals.
